

RAPID PREP

Is Your Team Cool Enough?

Control the climate in any condition!

Did you know excess **humidity** can quietly cause equipment to **corrode** when a dry environment isn't maintained?

Drynamo 5,000 DH

DH Desiccant Dehumidifier

Our equipment is available for **sale or rent**. Most units feature a **four-point lifting cage** with connections at 65" requiring no steps to connect rigging, ideal for **shipyard and marine applications**.

Stay Cool Today!

Make the best choice for moisture removal in portable sandblasting applications!

AD 5,000 Desiccant Air Dryer

Compressed Air Drying Systems

Rapid Prep's Air Dryers **reduce production downtime** in all coating and lining processes and prevent air-line contamination, air-line freeze-ups, flash rusting, and clogged blast pots. This ensures **efficient air compressor sandblasting!**
